

Grace Presbyterian

Congregational Support Committee of Grace Presbyterian

Congregational Mission Initiative Grants Basic Purpose and Principles

Grace Presbyterian's Statement of Mission

"Grace Presbyterian claims God's mission as our calling: to proclaim the gospel of Jesus Christ who saves, redeems, and reconciles the world to God through ministries of witness, justice, and mercy. Grace Presbyterian prepares and supports leaders to build vital congregations that reach seekers and those in need, nurture disciples, and send apostles of our Lord into the world."

Purpose

To encourage and support the congregations of Grace Presbyterian in the creation of new and innovative ministries within the congregations and communities that they serve. These funds are intended to be "seed money" that will enable congregations to create new ministries, and as such, they will be limited to one year of funding.

Maximum amount of grant - \$3,000

Requests that exceed \$3,000 will be considered as \$3,000 requests. These grants may be used to fund up to 75% of the total projected first year costs of the proposed project. The Congregational Support Committee reserves the right to fund grants at levels that might differ from the requested amount.

Complete application to be submitted

The grant application must be complete when submitted. This includes the session endorsement and a detailed expense budget. An incomplete application may result in the application being denied.

Restrictions on use

Funds granted in these initiatives may **not** be used for major capital improvement expenses, debt retirement, the securing of general on-going staff needs, mission trips, international partnerships, or the continuation of existing ministries.

Endorsement required

Grant applications shall be endorsed by the Session of the church that applies for the grant. If the project involves more than one congregation, all Sessions involved in the project shall submit an endorsement.

Diversity

Congregational Mission Initiative Grants will be awarded with sensitivity to the full diversity of the presbytery (geographical, congregational, and cultural).

Policies and licensing

Congregations applying for grants will be required to have the appropriate policies and licensing in place (or in process) before their project can be approved and funds distributed. Examples would be: 1) If the ministry includes children or youth, the church must have a Child Protection Policy in place and up-to-date; 2) If the new ministry is to include the projection or printing of music, videos, or other copyrighted materials, the church must have the proper licensing (CCLI, CVI, OneLicense) in place. Grants cannot be funded if these provisions are not met.

Reporting

If you receive a grant, you will be required to share your experience with the presbytery. You will be assigned a liaison from the committee who will assist you in sharing your progress in this new ministry through presentations, articles, events and through consultations with other churches considering similar programs.

Evaluation

To be conducted by the Congregational Support Committee at the conclusion of the grant period. This evaluation will be an opportunity for grant recipients to share their experience about their new initiative with the presbytery – what seemed to work; what didn't work; what could be done differently, etc. Congregations will be required to complete their evaluations within three months of the conclusion of their grant year.
