

**Korean American Clergywomen, PC(USA)
Annual Conference: May 25-27, 2010
McCormick Theological Seminary
Chicago, IL**

Dear Sister in Ministry:

Greetings in the name of our Lord Jesus Christ! We hope this letter finds you and your family in God's abundant grace and blessings! We are busily preparing for our annual Korean American Clergywomen Conference, a conference by, of, and for Korean American women in ministry.

Our theme this year is:

THROUGH THE LOOKING GLASS

Who are you: parent, child, partner, pastor? Is there a wholistic Korean American ClergyWoman? We will spend our time together reflecting on the many roles and identities we hold as we seek out God's image in the plurality of our relationships. Be prepared for times of respite and peaceful reflection.

We will again have our regular opportunities to network and encourage sisters from all across the country. We gather to share our stories and advocate for the concerns of our members. We gather to share our experiences, wisdom, and resources with each other. We gather to learn more about the process of ordination, ministry and beyond. And we gather to sing, laugh, relax, dance, play, fellowship, eat and have fun in the supportive and encouraging atmosphere of sisters gathered together in Christ.

So we invite you to take some time off from the busy-ness of life and ministry and come be fed and challenged spiritually, physically, emotionally, socially, theologically, and relationally!

We will be gathering again at the heartland and midway of America, at McCormick Theological Seminary, who has committed to be our institutional partner.

Even if you cannot join us in Chicago this year, you can stay connected through email and by sending in your donations. Through this contribution, you allow this group to sustain and support one another. Should you have any questions, feel free to contact us through the emails below. We look forward to meeting you, and in being reconnected, refreshed, and rejuvenated! See you in May!

Many blessings,
Coordinating Team '10:
