

Congregational New Ministry Start-up Grant (fka Mission Initiative Grant)

Basic Purpose and Principles

Grace Presbytery's Statement of Mission

"Grace Presbytery claims God's mission as our calling: to proclaim the gospel of Jesus Christ who saves, redeems, and reconciles the world to God through ministries of witness, justice, and mercy. Grace Presbytery prepares and supports leaders to build vital congregations that reach seekers and those in need, nurture disciples, and send apostles of our Lord into the world."

Purpose

To encourage and support the congregations of Grace Presbytery in the creation of new and innovative ministries within the congregations and communities that they serve. These funds are intended to be "seed money" that will enable congregations to create new ministries, and as such, they will be limited to one year of funding.

Maximum amount of grant: \$3,000

The Congregational Support Committee reserves the right to fund grants at levels that might differ from the requested amount.

Restrictions on use

Funds granted in these initiatives may not be used for major capital improvement expenses, debt retirement, the securing of general on-going staff needs, mission trips, international partnerships, or the continuation of existing ministries.

Endorsement required

Grant applications shall be endorsed by the Session of the church that applies for the grant. If the project involves more than one congregation, all Sessions involved in the project shall submit an endorsement.

Diversity

Congregational New Ministry Start-up Grants will be awarded with sensitivity to the full diversity of the presbytery (geographical, congregational, and cultural).

Policies and licensing

Congregations applying for grants will be required to have the appropriate policies and licensing in place (or in process) before their project can be approved and funds distributed. Examples would be: 1) If the ministry includes children or youth, the church must have a Child Protection Policy in place and up-to-date; 2) If the new ministry is to include the projection or printing of music, videos, or other copyrighted materials, the church must have the proper licensing (CCLI, CVI, I One License) in place. Grants cannot be funded if these provisions are not met and copies are not provided with the application.

Reporting

If you receive a grant, you will be required to share your experience with the presbytery. You will be assigned a liaison from the committee who will assist you in sharing your progress in this new ministry through presentations, articles, events and through consultations with other churches considering similar programs.
