

Small Church Ministry Need Grants Basic Purpose and Principles

Grace Presbytery's Statement of Mission

"Grace Presbytery claims God's mission as our calling: to proclaim the gospel of Jesus Christ who saves, redeems, and reconciles the world to God through ministries of witness, justice, and mercy. Grace Presbytery prepares and supports leaders to build vital congregations that reach seekers and those in need, nurture disciples, and send apostles of our Lord into the world."

Purpose

To assist smaller congregations (75 average worship attendance or less) of Grace Presbytery in enhancing current ministry or programs by funding the purchase of non-budgeted items for such use, including emergency funding needs.

Maximum amount of grant: \$1,000

Special attention will be given to requests in the areas of technology, evangelism and education. The Congregational Support Committee of Grace Presbytery reserves the right to fund grants at levels that might differ from the requested amount.

Restrictions on use

These grants may not be used for staff compensation or debt retirement, and are only available to churches with average worship attendance of 75 or less. A congregation may only apply once per year and may not receive funds in subsequent years to support the same ministry/program or emergency need.

Endorsement Required

Grant applications shall be endorsed by the Session of the church that applies for the grant. If the ministry or program involves more than one congregation, all Sessions involved must submit an endorsement.

Diversity

Ministry Need Grants will be awarded with sensitivity to the full diversity of Grace Presbytery (geographical, congregational, and cultural).

Policies and Licensing

Congregations applying for grants will be required to have the appropriate policies and licensing in place (or in process) before their application can be approved and funds distributed.

Examples would be: 1) if the ministry includes children or youth, the church must have a Child Protection Policy in place and up-to-date; 2) if the ministry is to include projection or printing of

music, videos, or other copyrighted material, the church must have the proper licensing (CCLI, CVI, OneLicense) in place. Grants will not be funded if these provisions are not met.
